

Dick & Julie,

We would like to take this time to say THANK YOU for helping us make our "Kid's Fest" 2006 such a great success! Your help and hard work in getting all the things we needed in a timely way, and the great job you did on the shirts was appreciated so much, more than we can express.

We thank you also, for your regard of our ministry to children in our area. We need to do all we can, now, to make a difference in their lives today and in the years to come. You were a part of a great day for our kids, where they were introduced to Jesus Christ, and had lots of fun in the meantime!

Our churches are here to help the community as best as we can. We believe that a walk with Jesus Christ brings purpose and meaning to every person, not just children, but to us all. If you are not currently attending a church, we encourage you to do so...the First Church of the Nazarene, Liberty Street Church of God and Evangelical Methodist Church would both hold out welcoming hands of fellowship to you! If we can be of service to you or help you in any way in the future, we will be glad to.

Again, we thank you for your time and energies put toward our ministry and we pray that God will bless you and prosper your business.

God's Blessings!
